### SPECIAL OFFER TO SYNAPSE READERS

Free back issues of SYNAPSE

BIAQ are offering up to eight free back issues of its famous journal.

As regular readers will know, each issue of Synapse covers stories, latest research, and issues of interest for both people with a brain injury and their families. Some of the major stories in each back issue are listed below:

**DECEMBER 2005** Short term memory tips, improving self-confidence, challenging behaviours, health tips, dizziness, personal stories

**MARCH 2006** Visual problems, anger problems, coping with loss, impact of brain injury, returning to work, suicide, advocacy, alcohol and drugs

**JUNE 2006** Rehabilitation, serious drug issues, when your loved one isn't loveable, attention skills, motivation tips, depression, self-advocacy

**SEPTEMBER 2006** Promoting independence, handling stress, employment issues, sleeping problems, legal issues, self-awareness, stories

**DECEMBER 2006** Communication issues, children & brain injury, diet tips, emotional control, carer issues, prisons, self-centred behaviour

**MARCH 2007** School & brain injury, balance & movement problems, respite, families & rehabilitation, new research, support for carers, stories

**JUNE 2007** Caring tips for partners, brain fatigue, stroke, recovery from brain injury, when partners separate, health tips for carers, Alzheimer s

**SEPTEMBER 2007** Post-injury identity, speech issues, staying positive, boosting your memory, headache, social skills, seizures, concentration

**N.B.** - Supply of each issue subject to availability
